

The three faces of self-esteem	p. 4
Defining self-esteem : an often overlooked issue with crucial implications	p. 10
What is the nature of self-esteem? : unidimensional and multidimensional perspectives	p. 16
Global self-esteem : divergent and convergent validity issues	p. 26
On the divergent and convergent validity of self-esteem	p. 36
Divergent and convergent validity of self-esteem : a state perspective	p. 44
Conceptualization, measurement, and functioning of nonconscious self-esteem	p. 53
Nonconscious self-esteem : is there something you're not telling yourself?	p. 60
Conscious and unconscious self-esteem from the perspective of cognitive-experiential self-theory	p. 69
Assessing stability of self-esteem and contingent self-esteem	p. 77
Assessing self-esteem via self-reports and nonreactive instruments : issues and recommendations	p. 88
The assessment of implicit and explicit self-esteem : lessons from motive research	p. 96
Implicit and explicit self-esteem : theoretical and methodological refinements	p. 102
Moral value, agency, and the measurement of self-esteem	p. 110
What is optimal self-esteem?	p. 119
What is optimal self-esteem? : the cultivation and consequences of contingent vs. true self-esteem as viewed from the self-determination theory perspective	p. 125
Making diamonds out of coal : the role of authenticity in healthy (optimal) self-esteem and psychological functioning	p. 132
The development of self-esteem	p. 144
Development of the self-esteem motive	p. 151
Origins and developmental influences on self-esteem	p. 157
Changing self-esteem : research and practice	p. 164
Self-esteem change : addressing the possibility of enduring improvements in feelings of self-worth	p. 170
Improving self-esteem	p. 178
A self-determination theory perspective on the interpersonal and intrapersonal aspects of self-esteem	p. 188
To what extent is self-esteem influenced by interpersonal as compared with intrapersonal processes? : what are these processes?	p. 195
The antecedents of self-esteem	p. 201
Self-knowledge and self-esteem	p. 208
Pathways among self-knowledge and self-esteem : are they direct or indirect?	p. 216
Who do you think you are? : on the link between self-knowledge and self-esteem	p. 224
Facilitating children's self-esteem : the role of parents and teachers	p. 230
Nurturing self esteem in young people	p. 238
How can optimal self esteem be facilitated in children and adolescents by parents and teachers?	p. 244
Self-esteem is central to human well-being	p. 254
Examining the role of self-esteem in psychological functioning and well-being	p. 260

Self-esteem processes are central to psychological functioning and well-being	p. 267
Having and pursuing self-esteem : costs and benefits	p. 274
Possessing and striving for high self-esteem	p. 281
Should people with low self-esteem strive for high self-esteem?	p. 288
Self-esteem from a clinical perspective	p. 298
Self-esteem, psychopathology, and psychotherapy	p. 306
Self-esteem in therapeutic settings and emotional disorders	p. 316
The evolution of self-esteem	p. 328
The adaptive functions of self-evaluative psychological mechanisms	p. 334
Self-esteem : evolutionary roots and historical cultivation	p. 340
Self-esteem : its relational contingencies and consequences	p. 350
Self-esteem and close relationship dynamics	p. 359
Self-esteem and rejection sensitivity in close relationships	p. 367
Does self-esteem matter equally across cultures?	p. 376
Primacy of personal over collective self and cultural considerations	p. 383
What is the interface between culture and self-esteem?	p. 389
The self-esteem motive : positive and negative consequences for self and society	p. 398
What role does self-esteem play in the ills and triumphs of society?	p. 407
How self esteem relates to the ills and triumphs of society	p. 412
What are the most pressing issues facing researchers?	p. 424
Where do we go from here?	p. 430
What needs to be done?	p. 439
